**27 Significant Differences Between Bailey’s Death and Blaise’s Statement Known to the LVMPD at the Time of Her Arrest on July 20, 2001**<sup>81</sup>

<b>Difference</b>	<b>Bailey</b>	<b>Blaise</b>
Date	Bailey was murdered on July 8, 2001.	Blaise specifically described the attack occurred “over a month ago,” from the date of the July 20 interrogation – or prior to June 20. <sup>82</sup> Other details she and Jeremy Davis provided pinpoint it to on or about May 25, 2001.
Location	Bailey’s murder occurred in a bank’s trash enclosure on the west side of Las Vegas – on West Flamingo Road several blocks west of the Vegas Strip that demarcates east and west Las Vegas.	Blaise described a rape attempt that occurred in a hotel parking lot on the far east side of Las Vegas on East Boulder Hwy. near the intersection of East Boulder Hwy and S. Nellis Blvd. (Eight miles east of Bailey’s murder.) Consistent with that location is Blaise said she immediately went to her friend Jeremy Davis’ house and cleaned herself up. Davis’ house is about 1 mile from the Budget Suites Hotel and about 8 miles southeast of the Nevada State Bank. Boulder Highway was mentioned five times in Blaise’s statement, and Flamingo Road was never mentioned.
Place	Bailey was murdered inside of the trash enclosure for a Nevada State Bank.	Blaise described being assaulted in the parking lot of a Budget Suites Hotel.
Geography	There was no shopping center across the street from where Bailey was murdered, there was no fountain visible from the Bank’s parking lot, and there was no Sam’s Town casino nearby.	Blaise provided specific details about the area around where she was assaulted, including the shopping center across the street, the Budget Suites’ fountain, and that it was near Sam’s Town Casino.
Physique	Bailey was 5’-10” and weighed 133 lbs. (at time of autopsy). (Bailey lost approximately 40% of his blood (two quarts), which would have weighed approx. 4 lbs. So his pre-death weight was about 137 lbs.) <sup>83</sup>	The 5’-6” Blaise described her assailant as “really big,” and “he seemed like a giant compared to me” when she was standing next to him before he threw her on the ground. (Consistent with her initial description, Blaise’s assailant was later described as over 6’ and 200 lbs. <sup>84</sup> )
Attack	Bailey’s head was hit, his face was pummeled, his neck and face were stabbed, his stomach was stabbed, and after dying his abdomen was repeatedly stabbed, his penis was severed at its base, and his rectum was cut with an unidentified sharp object.	Blaise described trying a single time to cut at her attacker’s exposed penis with a pocket butterfly knife when she was on her back and he was above her. After that she was able to escape and she heard him “crying” (She later said the knife was given to her by her father for self-defense.)
Injuries	Bailey’s Autopsy Report lists 31 separate external injuries – including his post-mortem penis amputation.	Blaise described trying a single time to cut at her attacker’s exposed penis with a pocket butterfly knife when she was on her back and he was above her.
Condition	Bailey was dead when his attacker(s) left.	Blaise described her attacker as “crying” when she got away from him.
Circumstances	Bailey was killed in an altercation that occurred entirely in the back of the trash enclosure.	Blaise described being bum rushed when she got out of her car in the Budget Suites parking lot. At no time did she describe that the ensuing struggle occurred inside a trash enclosure.
Mode of Attack	Bailey was killed by one or more intruders who <i>entered</i> the trash enclosure.	Blaise described that she was getting in her car to <i>leave</i> the Budget Suites Hotel when she was assaulted.
Drugs	Bailey had cocaine in his system at the time of his death, and no methamphetamine was present.	Blaise described using methamphetamine for a week before and after being attacked. She did not mention cocaine or the use of cocaine a single time in her statement. <sup>85</sup> No witness testified she used cocaine.

Difference	Bailey	Blaise
Striking	Bailey's cause of death was "blunt head trauma," according to the autopsy performed on July 9, 2001, and he had numerous pummeling type injuries.	Blaise said, "No," she didn't remember hitting her assailant a single time. (Consistent with her Statement is she had no bruises, cuts, broken bones or any other injuries to either of her hands.)
Dumpster Location	Bailey was murdered in the rear of a trash enclosure directly next to a dumpster that a person had to sidle by to get to his body.	Blaise described being assaulted in an open "parking lot" and "there was a dumpster not far from where it happened." There are dumpsters at the Budget Suites.
Curb	The car that left the tire tracks next to the trash enclosure drove over a planter median.	Blaise stated she didn't drive over "anything" when she drove away.
Body Position	Bailey was found face-up. So after his anus was sliced (based on ME's testimony) with him face down, his body was turned over.	Blaise stated "No," she didn't move her assailant at all.
Covered Body	Bailey's groin area was wrapped with plastic sheeting, his upper body was covered by a piece of cardboard with bloody shoeprints imprinted on it, and then a large quantity of trash was heaped around and on him.	Blaise stated "No," she didn't cover her assailant with anything, she immediately got in her car and drove away while he was "crying."
Person Lying in Enclosure	There was no evidence found at the crime scene that an unknown person had lain in Bailey's blood or anywhere in the trash enclosure at the time he was killed.	Blaise stated she was lying on her back with her assailant above her when she attempted to cut his penis.
Blood	Bailey bled at least a half gallon of blood, his upper body and shirt were soaked in blood, there was blood on his pants, and there was blood on the concrete floor, cardboard, the block walls, and other items in the enclosure.	Blaise described herself as lying down as her assailant knelt on top of her when she tried to cut him, but there is not a single mention in Blaise's statement that either she or her attacker bled, or that she had any blood on her or her clothes. (Consistent with this, lab tests later confirmed no blood was found in her car.)
Cigarettes	Three cigarettes were recovered underneath the plastic that covered Bailey's groin area.	Blaise made no mention about smoking a cigarette at the scene before or after being attacked.
Beer	There was a partially filled can of beer found near Bailey's body.	Blaise made no mention about drinking a beer at the scene before or after being attacked.
Moving Body	Bailey's upper body was moved about 3 feet from the left rear corner of the trash enclosure toward the front of the enclosure.	Blaise stated "No," she didn't move her assailant at all.
Turn Body Over	Bailey's body was turned over at some point so his rectum could be cut.	Blaise stated "No," she didn't move her assailant at all.
Silver Fragments	"Silver" coated pliable paper-like fragments were recovered from Bailey's rectum during his autopsy.	Blaise made no mention about inserting anything into her assailant's rectum, or that she had any "silver" substance with her.
Behavior	Bailey was known, from the interview with Diann Parker, to exchange crack cocaine for sex.	Blaise did not describe exchanging sex for methamphetamine. (And no evidence has been presented that she ever did so or that at any time she used crack cocaine.)
Hang Out	Bailey was known from interview with Diann Parker and items found on his body, to mainly "hang out" at locations on the west side of Las Vegas.	Blaise described living and spending time with people on the east side of Las Vegas.

Difference	Bailey	Blaise
Hygiene	Bailey’s aunt who positively identified his body, described him as fastidiously clean, and his shoes were found neatly arranged in an undisturbed part of the trash enclosure. He frequented the nearby Nevada State Bank daily, and no prosecution witness familiar with Bailey described him as unclean or “smelly.” The Crime Scene Analysts who processed the crime scene and the Coroner’s Investigator did not make any mention in their reports or testimony that Bailey was “very smelly” or that he emitted any unusual odor at the scene.	Blaise described her assailant as “very smelly, ...Like old alcohol and dirty diapers almost.” <sup>86</sup>
Gate	The gate was closed to the trash enclosure where Bailey’s body was found.	Blaise stated she was sexually assaulted in a parking lot and escaped in her car after getting away from her assailant. She makes no mention of a gate in her statement, much less closing a gate before escaping in her car.
