23 Significant Differences Between Bailey’s Death and Blaise’s Statement Known to the LVMPD at the Time of Her Arrest on July 20, 2001 ⁵⁹

| Difference | Bailey | Blaise |
|-------------------|--|--|
| Date | Bailey was murdered on July 8, 2001. | Blaise specifically described the attack occurred “over a month ago,” from the date of the July 20 interrogation – or prior to June 20. ⁶⁰ Other details she and Jeremy Davis provided pinpoint it to on or about May 25, 2001. |
| Location | Bailey’s murder occurred on the west side of Las Vegas – a few blocks from the Vegas strip that demarcates east and west Las Vegas. | Blaise described a rape attempt that occurred on the far east side of Las Vegas near the intersection of Boulder Hwy and S. Nellis Blvd. (Eight miles east of Bailey’s murder.) Consistent with that location is Blaise said she immediately went to her friend Jeremy Davis’ house and cleaned herself up. Davis’ house is about 1 mile from the Budget Suites Hotel, and about 8 miles southeast of the Nevada State Bank. |
| Place | Bailey was murdered inside of the trash enclosure for a Nevada State Bank. | Blaise described being assaulted in the parking lot of a Budget Suites Hotel. |
| Geography | There was no shopping center across the street from where Bailey was murdered, there was no fountain visible from the Bank’s parking lot, and there was no Sam’s Town casino nearby. | Blaise provided specific details about the area around where she was assaulted, including the shopping center across the street, the Budget Suites’ fountain, and that it was near Sam’s Town casino. |
| Physique | Bailey was 5’-10” and weighed 133 lbs. (at time of autopsy). (Bailey lost approximately 40% of his blood (two quarts), which would have weighed approx. 4 lbs. So his pre-death weight was about 137 lbs.) ⁶¹ | The 5’-6” Blaise described her assailant as “really big,” and “he seemed like a giant compared to me” when she was standing next to him before he threw her on the ground. (Consistent with her initial description, Blaise’s assailant was later described as over 6’ and 200 lbs. ⁶²) |
| Attack | Bailey was viciously pummeled, stabbed, slashed, and after dying his abdomen was stabbed, his penis was severed at its base, and his anus was cut with an unidentified sharp object. | Blaise described trying to cut one-time at her attackers exposed groin area with a butterfly knife. (She later said the knife was given to her by her father for self-defense.) |
| Condition | Bailey was dead when his attacker(s) left. | Blaise described her attacker as “crying” when she got away from him. |
| Circumstances | Bailey was killed in an altercation that occurred entirely in the back of the trash enclosure where he was living. | Blaise described being bum rushed when she got out of her car in the Budget Suites parking lot. At no time did she describe that the ensuing struggle occurred inside a trash enclosure. |
| Mode of Attack | Bailey was killed by one or more intruders who <i>entered</i> his trash enclosure encampment. | Blaise described that she was <i>leaving</i> the Budget Suites in her car when she was assaulted. |
| Drugs | Bailey was a crack cocaine user who was not known to use methamphetamines, and had cocaine in his system at the time of his death. | Blaise described using methamphetamines continuously for a week before and after being attacked. (It was later learned that Blaise’s mother took her to a doctor in Caliente on July 5, and her blood drawn at 5:15 p.m. tested negative for the presence of methamphetamines.) |
| Striking | Bailey’s cause of death was “blunt head trauma,” according to the autopsy performed on July 9, 2001, and he had numerous pummeling type injuries. | Blaise said, “No,” she didn’t remember hitting her assailant a single time. (Consistent with that is Blaise had no bruises, cuts, broken bones or any other injuries to either of her hands.) |

| Blood | Bailey bled at least a half-gallon of blood, his upper body and shirt were soaked in blood and there was blood on his pants, and there was blood on the concrete floor, cardboard, the block walls, and other items in the enclosure. | Blaise described herself as lying down as her assailant knelt on top of her, but she did not make a single mention in her statement that either her or her attacker bled, or that she had any blood on her or her clothes. |
